Meeting Notice

The February meeting of the Winona Amateur Radio Club, Inc. will be held on Thursday, February 21, 2008 in the lower conference room of the Courthouse Annex Building. The meeting will begin with a program at 1900.

Bob Bilder, NØWTH, Winona County's Emergency Management Director, will present the program. Bob's program will focus on three important topics: Lessons learned – August 2007 floods; organizational changes at Winona County Emergency Management; and what the Winona area amateur radio community can do to prepare for "The Next One."

Class of 14 to take license examinations

By Les, KØBAD

The Technician class conducted by Russell Marsolek (NØQK), Sue and Jim Brown (KEØS and NØWE) and Leslie Hittner (KØBAD) will finish with a VE session on Tuesday, February 19. We expect to see 12-14 new ham operators from this class as well as some walk-in test participants.

Perhaps more importantly, at least three of the class members (and new hams) will be under 15 years of age! It has been a while since we have brought young people into the ranks. Let's welcome them!

SKYWARN Spotter training schedules

Area SKYWARN Spotter training schedules are as follows:

March 17	6:30 pm	La Crosse, WI	Franciscan Skemp Medical Center Marycrest Auditorium
March 19	6:30 pm	Rochester, MN	Rochester International Event Center
March 26	6:30 pm	Winona, MN	Winona State Univ. Science Lab Center (between Stark & Pasteur)
April 15	7:00 pm	Lake City, MN	City Hall 205 W. Center Street

All Technician License Class members are invited to the Thursday (February 21) night meeting of the Winona Amateur Radio Club. The program begins at 7:00 p.m.
